Let go to Africa Initiative (LAI)
Together we Care Africa, but God Heals

Date: 18 December 2005

Dear friends;

Re: Let go to Africa Initiative (LAI)

Let go to Africa initiative (LAI) founded by Titus Tossy, president of Desire of Ages Foundation & Desire of Ages Volunteer Network to help in the three huge challenges which humanity faces particularly in Africa: Poverty, HIV/AIDS and Malaria. The initiative working under the motto: "Together we Care Africa, but God heals" will take care and give them the help they need, even the very poorest. Why? Because that is what Christ would do.

We are here seeking your support in any way before you to help people of Africa. We are seeking to get support in terms of

- volunteerism (broadcast and advertise this initiative through your network, family, school, friends, etc. encourage people to volunteer and travel with "Let go to Africa")
- Cash and material donation, your few coins will help to bring people of Africa to life.

We hope you will join this network in any way available to your side.

God bless you !

Sincerely

Rev. Titus Tossy

Together we Care Africa, but God Heals

Project Profile

Introduction and Our beginnings

Let go to Africa initiative(LAI) founded by Titus Tossy, president of Desire of Ages Foundation & Desire of Ages Volunteer Network to help in the three huge challenges which humanity faces particularly in Africa: Poverty, HIV/AIDS and Malaria. The initiative working under the motto: “Together we Care Africa, but God heals” will take care and give them the help they need, even the very poorest. Why? Because that is what Christ would do.

Mission

Whether they are poor, carry the HIV Virus, or whatever they are loved by our Lord Jesus. It is our duty to express that love, and give them dignity and value as human beings.

Objectives:

- Connect volunteers and supports with people in need
- Fight against poverty, HIV/AIDS and Malaria
- Work with local and international efforts in building and renovating hospitals, clinics, and schools for community development

Project Targets:

- To send more than 5000 volunteers to fight against poverty, HIV/AIDS and Malaria in Africa
- To build Desire of ages School and clinic Centers in Africa

Ways to Give

Let go to Africa initiatives humble request you to free give in any way of the following to Africa:

- Volunteer -sacrifice your time and travel to Africa for serving community in need you can join us for volunteerism as:
 - Individual
 - Group
 - Family
 - Couple

We accept you in any duration you would like to volunteer from one week. Let go to Africa in 2006 with Desire of Ages Foundation.

Requirements:

No previous experience is needed. You must be 18years and above, loving, caring, passionate, understanding, ready to share, ready to travel, open

mindful, flexible and have sense of humour. Less than 18 years, we accept them in groups of minimum 5 people who will be given tender care.

Let go to Africa!

- Cash/Material Donation:

- **Send a child to school for one year - \$75**
Sending a poverty-stricken child to school this year may be the best investment you can make: A year of class provides important stability and instills the practical skills and knowledge that can help break the cycle of poverty. Your gift includes things like a year of tuition, school supplies, and a uniform for one student.
- **Seeds, tools and training in Africa - \$16**
Widespread crop failure has left millions of African children and their families on the edge of survival. **Your gift today will multiply three times in impact** to help save the lives of precious children and families. Your gift will help provide things like:
 - Vegetable, cereal and grain **seeds**
 - **Tools** such as hoes and watering cans
 - **Training** to help each family produce the most bountiful harvest possible
- **General donation - \$100**
You can give a gift of any amount to help the poorest and neediest around Africa! Giving a gift where most needed is a great way to provide essential help to some of the Africa's most vulnerable children and families. Your gift allows us to respond quickly to those suffering from the effects of Malaria, HIV/AIDS, and poverty. For example \$30 donation can feed a child for a month. Please help us change the lives of people in need!
- **Lifesaving medicines and supplies - \$40**
Imagine you're a doctor or nurse, with the skills and training to save lives. A child comes to you, desperately weak and sick ... but you have no medicine for that child. Every day in clinics in Africa, health workers face this tragedy. It grieves them to turn away mothers who have walked for hours to bring their sick and dying children for medical care — because they do not have basic medicines and supplies. They are pleading with us for help.

- **Help provide lifesaving immunizations**
\$25

Almost 11 million children die needlessly every year, mostly of illnesses with preventable causes. The initiative believe that every child has a God-given right to a life of health. Boys and girls everywhere should have the chance to make their mark on the world. And with your help, they can have that chance

- Donate minimum of US \$100 or equivalent amount as your support to a Project/ Activities.
 - Sponsor bedding, school education support, school bags, shoes, uniforms etc. of a child by donating US\$50
 - Establishing a School for the children. Helping for establishing our Desire of Ages School in Tanzania
- Helping in Establishing and renovating health centers

- Pray: We value your prayers. Kneel down and pray for us and for the people who are suffering.

Let all with our families, and friends go to Africa for the year 2006!
